

# WIS 29 freeway designation and conversion study hearing

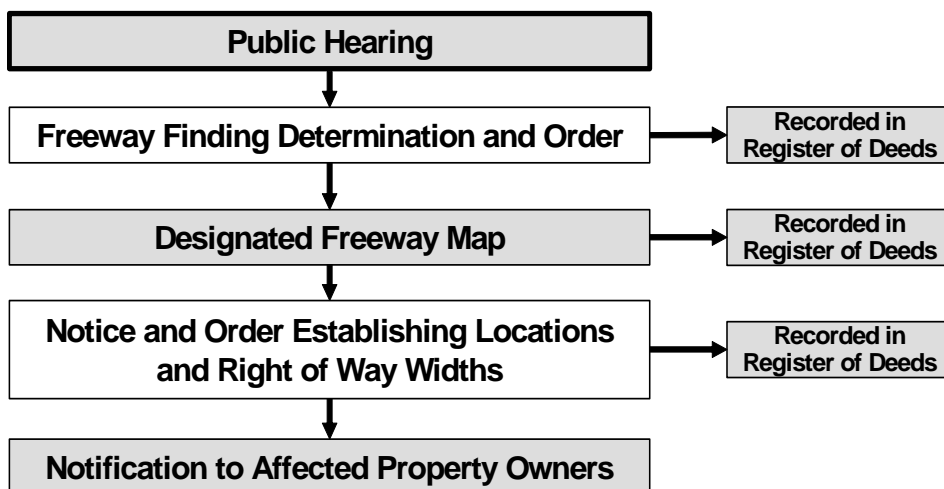

Fall 2010

The WIS 29 Project is taking the next step in the freeway conversion process. A public hearing will be held on Tuesday October 12, 2010, from 5:30 to 8:30 PM at the Owen-Withee High School Cafeteria to review the environmental assessment and the freeway conversion plans. A summary presentation is planned to begin at 6:00 PM.

The formal hearing will start at immediately after the summary presentation. A court reporter will also be available through out the evening for individuals wishing to have their comments included in the public record for both the environmental assessment and the freeway conversion. Exhibits will be on hand that show the proposed changes associated with the freeway conversion and Wisconsin Department of Transportation staff will be available to answer questions.

The actual physical conversion of WIS 29 to freeway status will not take place for another 10, 15 or more years. The following graphic illustrates this process.

## Public Hearing

**When:** Tuesday, October 12, 2010

**Time:** 5:30 PM– 8:30 PM  
(Summary presentation begins at 6:00 PM)
